Middle-High teams shared best practices through 20 different workshops

When The Consortium for Public Education's Middle-High Forum convened in December, teams shared best practices through 20 different workshops, including sessions on freshman academies, summer support programs for at-risk students, teacher leadership teams and using data to drive improvements. For a full story, click [Middle-High Forum](#).

Delegates from 25 districts convene to plan conference for *The Future Is Mine*

Student and faculty representatives from teams participating in The Consortium for Public Education's career exploration program, *The Future Is Mine* (TFIM) gathered in December to brief other districts on their projects, plan their annual conference and find out about a project for which Carnegie Mellon University needs their help. For a full story click [TFIM](#).

Science and environmental projects dominate winning applications for Great Idea Grants

Projects to enrich science and environmental learning made up a dominant theme among winning proposals in The Consortium for Public Education's fall round of Great Idea Grants. For a complete story about the latest awards, click [Great Idea](#)
